CLARE DREYFUS SCHOLARSHIP STIPULATION FORM

The Clare Dreyfus Scholarship Fund was conceived for the purpose of offering moral support and financial assistance to such graduates of Milwaukee Public Schools who are intending to make the honorable profession of teaching their career.  - b. The additional \$250 shall be given upon enrollment in the second year with proof of a class schedule from the institution student is enrolled with.
 - c. There shall be one stipulation: the recipient must graduate from an accredited school of education or return the money, without interest, to the scholarship fund as soon as possible.
2. The candidate shall be a senior, eligible for graduation in June from a Milwaukee public high school, whose intent is to make a career of the profession of teaching.
3. Candidates nominated by the high schools will be evaluated on the following factors:

 - b. Record of extracurricular activities.
 - c. Recommendation from the principal or counselor
 - d. Statement of at least 500 words on "Why I Choose Teaching as My Career" written by the candidate.
4. The Board of Trustees reserves the right to evaluate these various factors on their relative merits.
